

A Donor & Visitor Supported Nonprofit Institution

July 2020

Dear Artisan,

The 45th Wenham Museum Summer Fair will be held on **Saturday, August 22, 2020 from 9:00 a.m. to 3:00 p.m.**, with a **RAIN DATE of Sunday, August 23, 2020**. Your table fee benefits the programs of the Wenham Museum, and we thank you for your support—especially during this most challenging year!

Set-up begins at 7:00 a.m. in a 10 x 10 foot (approximate) space on the grounds of the Wenham Museum and Town Hall (Route 1A). Crafters must provide their complete set up including items such as tables, chairs, and tent if you prefer to shade your space.

Due to the COVID-19 pandemic, the number of artisans in the fair will be limited in order to maintain appropriate social distancing between customers. Face coverings are required by all customers and vendors. A recommended “traffic pattern” will also be established for fair shoppers.

Due to the pandemic, this year the museum will not be offering family-friendly activities such as entertainment, pony rides, games, and face painting. The museum galleries, however, will be open for those who wish to tour them. We will also temporarily halt café seating and a beer garden. We do expect 1-2 food vendors to be on site who can offer casual fare that can be enjoyed while walking around or brought home. In other words, this year the fair will be a much more traditional artisan fair than a “family festival.”

Despite the ongoing pandemic, we expect a good response to this long-running event. **Please submit your application form, photos, and fee as soon as possible to guarantee your space to our fair coordinator, Barbara Brown, Trustee at frosty100@verizon.net. This is a juried fair.** Only those crafters not accepted will be contacted. Please contact us if you have any questions.

Sincerely,

Kristin Noon
